

# Explorations II

Julian Bull

Back for a second year at the Dragonfly Gallery,  
Wayland House, High Street, Watton. IP25 6AR.

April 3rd to April 28th, 2023.

**Weekdays 10 - 4 and Saturdays 10 - 1.**

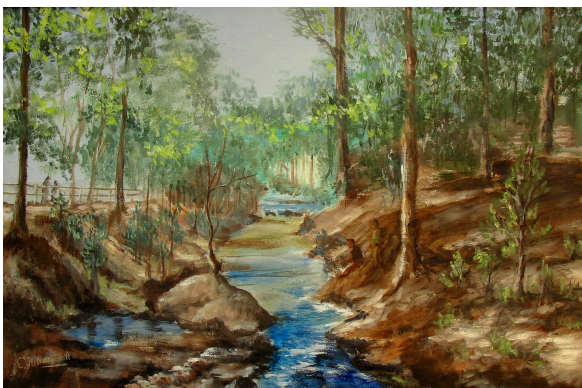

Art to me is a journey; an exploration of many different avenues; never getting stuck on the same track too long. This way the experience always remains fresh and exciting. That is why I have called this exhibition of my work 'Explorations'.
